

STP-EB170

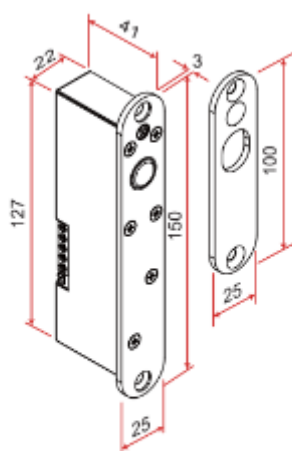

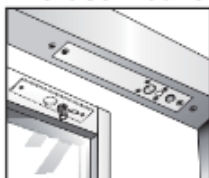

Fail-Safe Electric Dropbolt 12/24 VDC

Features

- Horizontal or vertical installation
- Available in mortise, surface and glass mount
- Energy saving intelligent electronics
- Vandal resistant circuit design
- For double and single action doors

Technical Information

Mortise Mount

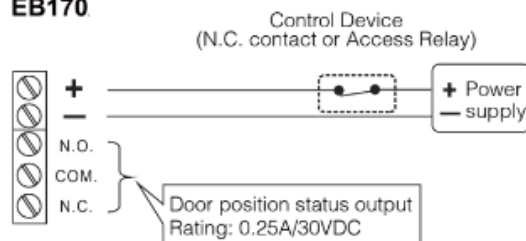

EB170

- Fail-Safe
- Operating Voltage: 12/24 VDC
- Operating Temperature -10°C~+49°C
- Humidity 0~85% non-condensing
- Current Draw:

Holding: 0.15A/12V; 0.1A/24V

Pull in: 0.9A/12V; 0.45A/24V
