

High Sec T15 Reader White

C305471

Product description

The High Sec T15 Reader is a thin, contactless card reader, designed for mounting on door mullions, or where a small footprint reader is desirable. The reader supports HBUS electrical connections, enabling reader software downloads and the industry's fastest PIV card reading speeds. The High Sec T15 Reader is fully potted and is Gallagher's recommended PIV card reader for environmentally exposed locations.

Superior environmental protection

The robust construction of Gallagher's High Sec T15 Reader makes it perfect for deployment in environmentally challenging locations. Our comprehensive testing procedures prove the T15 delivers outstanding all-weather performance, making it the easy choice for outdoor use.

Slim form factor

The T15 sits easily on a mullion, and delivers reliable card reading performance when mounted on a variety of surfaces (including metal).
